Greetings,

I am thrilled to welcome you to Richmond Heights Middle School, “Home of the Mighty Raiders!”

As your principal, I am committed to fostering a safe learning environment where every student feels valued, supported, and inspired to reach their full potential. Our faculty and staff pledge to ensure that everyone is treated with respect and provided the opportunity to achieve success academically, socially, and emotionally through rigorous, purposeful, and engaging learning experiences.

There are many facets that make up the Mighty Raider Nation, one of which is a Zoological Magnet Program. Students who choose to enroll in the magnet program experience guided instruction through a rigorous curriculum that explores many branches of science. In addition, as a Cambridge School, we support the development of five powerful and highly desirable learning habits: confidence, responsibility, reflection, innovation and engagement. This will inspire students to love learning and assist them to become independent learners, who take intellectual risks.

Our dedicated faculty and staff believe in the power of education to positively impact the lives of our students, as we embark on this educational journey together.

Throughout the year, we will celebrate achievements, overcome challenges, and create lasting memories. Whether it is in the classroom, on the sports field, or during extracurricular activities, I encourage everyone to actively participate and contribute to our vibrant school community as we extend our reach beyond the classrooms’ wall.

On behalf of the faculty and staff, I would like to invite you to take part in all the programs available and become an active Parent-Teacher Organization (PTO) participant and ask you to get involved in the numerous events that are held at our school.

Raider Pride!

Dr. Francisco M. Sauri,
